THE BOOK & THE RESIDENCE

A night photograph of a building entrance. The entrance features a large, dark, paneled double door. On either side of the door are stone lion statues standing on pedestals. The building's facade is made of dark brick or stone, and the entrance is illuminated by warm, yellow lights. To the right of the door, the words "THE BOOK & THE RESIDENCE" are displayed in a gold, serif font. The building is surrounded by trees and landscaping, and the scene is set at night.
